#TBTS21

**Therapy by the Sea** has been the NJSOP's premier event for many years; This year's program will present 27 hours of COPE approved CE and will take place at the ever-fabulous Hard Rock Hotel & Casino Atlantic City. With ample conference space, fantastic restaurants, and a music vibe unlike any other, the Hard Rock will be a fun-filled venue for the more than 200 optometric physicians, paraoptometric, industry professionals, and families to gather for the weekend. The enclosed information will give you details about the weekend including lecture topics, speaker information, and social events being held throughout the 2021 conference -- be sure to check out Saturday's injections workshops! We look forward to seeing you there!

**A special THANK YOU to our sponsors in-part:**

**Rock Out at the Rock - Friday**

While CE begins at 12, the Exhibit Hall doors will open at 3pm on Friday and you'll have access to some of the greatest industry vendors (and NJSOP supporters) through 5:30 Saturday! We'll kick off the weekend with a welcome reception amongst friends and exhibitors from 6pm - 7pm on Friday. Disaster Horse, featuring NJSOP's own Dr. Dan Kohansby, will headline the reception playing *songs you forgot you loved!* Check them out at <https://www.disasterhorse.com>.

**Young OD Meet & Greet - Saturday**

This invitation-only event will provide attendees with the opportunity to meet their VSP representatives and share ideas on how VSP can support future Young OD programs with the NJSOP. Light food and drinks will be served in a casual atmosphere.

The Mentor Committee will also be hosting a Job Fair during this event. Come join us to network with fellow NJSOP members and learn about different practice opportunities available. Whether you're looking for a full time position, interested in filling in certain days, or planning on hiring someone, we look forward to seeing you.

**See Well Be Well 5K/Fun Run - Sunday**

The See Well Be Well 5K/Fun Run will take place Sunday, October 10<sup>th</sup> at 7:30am on the Boardwalk near the Hard Rock entrance. This event benefits the Richard J. Favreau, OD Health Foundation which serves as a catalyst for ideas, partnerships, and programs that improve the health and quality of life of at-risk populations in NJ. The first 50 registrants (prior to September 1<sup>st</sup>) will receive a t-shirt. More details, including information on sponsorship opportunities can be found on Page 8.

**Two Chances to Experience the Injectables Learning Lab!**

Join Drew Rixon, OD and Jason Duncan, OD in one of the Injectables Learning Lab courses as they guide you through hands on administration of periocular and additional parenteral injection techniques commonly utilized by the primary eyecare practitioner. It is taught by practitioners who employ these techniques on a routine basis in the daily clinic setting. There are four stations: subconjunctival, intralesional, intravenous, and an intravitreal video station. An optional intramuscular station is available to the attendees who choose to pursue it.

**This course will be offered twice on Saturday (5B and 6B) and provides 2 Oral Credits! Workshops limited to 20 participants per session.**

**OD & Guest Registration Information**

**The 3 Day Package \*BEST VALUE\***

Friday, October 8, 2021 - Track A

[Track open to ODs and Paras]

**1A** 12pm - 1pm: Practical Approach for Controlling Acute Eye Pain with Oral Medications  
Rodolfo Rodriguez, OD ■ 1 NJSBO Oral Credit - COPE # 73808-PH

Optometric physicians should be competent and feel comfortable prescribing oral medications to control acute eye pain. This lecture will describe a sensible and safe process for managing acute ocular pain in primary care with oral medications.

**2A** 1pm - 2pm: The ODs Role in Understanding the Microinvasive Glaucoma Surgery (MIGS) Revolution  
George Veliky, OD ■ 1 NJSBO TPA Credit – COPE # 73538-GL

While these devices and or procedures are surgical in nature, it's imperative that the optometrist understands the potential use of each and is fully aware of their possible inclusion with cataract surgery or use of those that can be done as a stand-alone procedure as a way to further lower IOP in their glaucoma patients. This course will start with a review of the basic physiology of aqueous humor production and outflow and attempt to teach those in attendance the mechanisms by which each of these devices and or procedures effectively alter IOP; post-operative care of the MIGS patients will be reviewed as well.

**3A** 2pm - 3pm: Ocular Emergencies: How to Deal with Anything That Walks in Your Door  
Melanne Rosetta, OD ■ 1 NJSBO TPA Credit – COPE # 73545-PD

A grand rounds style lecture on how to diagnose and treat ocular emergencies, when to refer, and how to order further testing such as blood work and imaging. There is an emphasis on common emergencies but also less common but important diagnoses to recognize due to their potential for sight- or life-threatening complications. This lecture aims to be open for interaction and discussion with the audience and will end with some practical tips about how to incorporate emergency care within optometric practices.

3:00pm - 4:00pm EXHIBIT HALL BREAK

**4A** 4pm - 6pm: Is Your Practice HIPAA Compliant?  
Marc Haskelson, CEO and President, Compliancy Group ■ 2 NJSBO Regular Credits – COPE # 73558-PM

HIPAA compliance is a living culture that healthcare organizations must implement into their business in order to protect the privacy, security, and integrity of protected health information. However, many practices are only addressing parts of the regulation. In order to be fully HIPAA compliant, you must have an effective compliance program. This course will teach you how to implement the seven elements of an effective compliance program. Not only will this protect you from violations and fines, but it will also have a lasting positive impact on your organization!

Saturday, October 9, 2021 - Track A

[Track open to ODs only]

**5A** 8am - 8:50am: The Glaucoma Lecture Diagnosis of Glaucoma  
Murray Fingeret, OD ■ 1 NJSBO TPA Credit – COPE # 72471-GL

As the OCT has become a common part of the ocular examination, clinicians occasionally are faced with the dilemma of the OCT findings not agreeing with visual field results. There are a host of reasons why this may occur, from unreliable OCT images or visual field results to anatomic differences in the eye compared to normative results. This course will explain reasons why differences may be seen and how the clinician may integrate the findings into their management plans.

**6A** 8:50am - 9:40am: New Horizons in Glaucoma  
Murray Fingeret, OD ■ 1 NJSBO TPA Credit – COPE # 70581-GL

Recent advances in diagnostic technologies and therapeutic modalities have altered how glaucoma is diagnosed and managed. This lecture reviews some of the new technologies, medications and philosophies and how they impact on glaucoma care.

9:40am - 10:20am EXHIBIT HALL BREAK

**7A** 10:20 am - 12:00pm: Glaucoma Grand Rounds  
Murray Fingeret, OD ■ 2 NJSBO TPA Credits - COPE # 72777-GL

The management of glaucoma requires the clinician to make an ongoing series of decisions that start with deciding if glaucoma is present and whether the initiation of therapy is needed. The decisions continue as the patient is followed over time. Using case presentations, this course reviews the clinical decisions facing the optometrist managing glaucoma and discuss alternatives for each decision.

12:00pm - 2:00pm LUNCH IN EXHIBIT HALL

**8A** 2:00pm - 2:50pm: Glaucoma Progression  
Murray Fingeret, OD ■ 1 NJSBO TPA Credit – COPE # 73154-GL

An important area in the management of glaucoma is the detection of change or progression. This course will explain the assessment of the optic nerve, retinal nerve fiber layer and visual field in watching for change. Which instruments come into play and how they enable the clinician to monitor for progression will be described as well as the steps that are taken when progression is discovered.

CONTINUED →

Saturday, October 9, 2021 - Track A Continued

**9A** 2:50pm - 3:40pm: Glaucoma Therapy Update  
Murray Fingeret, OD ■ 1 NJSBO TPA Credit – COPE # 73153-GL

This lecture will examine new developments in glaucoma therapy. Included will be a discussion on recently introduced glaucoma medications including rho-kinase inhibitors and the nitric oxide class of agents. Their mechanism of action, indications, contraindications and their role in managing glaucoma will be discussed. Also, advances in understanding how narrow angles may elevate IOP and ways to recognize when they may be clinically significant will be described and how they may be managed.

**10A** 3:45pm - 4:35pm: Keep Your Head in the Game! Oral Treatments for Concussions  
Vittorio Mena, Jr., OD ■ 1 NJSBO Oral Credit - COPE # 73535-OP

When it comes to treatment for concussions one thing that is often overlooked is nutrition! As primary eye care providers it is important for optometrists and health care professionals to understand the importance of gut health, brain health and how omega 3's have a crucial benefit to these patients.

Saturday, October 9, 2021 - Track B

[Open to ODs only; Limited to 20 registrants in each session]

**5B** 8:00am - 9:40am: Injections Learning Lab  
Drew Rixon, OD and Jason Duncan, OD ■ 2 NJSBO Oral Credits- COPE # 73317-IS

This workshop utilizes hands on administration of subconjunctival and intraslesional injection techniques commonly utilized by the primary eyecare practitioner.

**6B** 2:00pm - 3:40pm: Injections Learning Lab  
Drew Rixon, OD and Jason Duncan, OD ■ 2 NJSBO Oral Credits – COPE # 73317-IS

This workshop utilizes hands on administration of subconjunctival and intraslesional injection techniques commonly utilized by the primary eyecare practitioner.

Saturday, October 9, 2021 - Track C

[Track open to ODs and Paras]

**5C** 8:00am - 8:50am: Special Care for the Special Needs  
Kathleen Kinzley, OD and Maria Richman, OD ■ 1 NJSBO Regular Credit / AOA-CPC #SP-0016-21 / COPE # 73536-PM

This course will prepare the attendees in servicing the special needs population. Attention will be given to the specific medical, visual, and behavioral issues these patients present with.

**6C** 8:50am - 9:40am: The Visual Journey of a Stroke Patient  
Maria Richman, OD ■ 1 NJSBO TPA Credit / AOA-CPC #SP-0015-21 / COPE # 73537-NO

This course will take you on the visual journey of a stroke patient. The attendees will become familiar with screening, evaluating and managing the visual sequelae of a stroke patient.

**7C** 10:00am - 11:00am: Cannabis is Cool  
Harvey Richman, OD ■ 1 NJSBO Oral Credit / AOA-CPC #CW-0014-21 / COPE # 73546-PH

This course will bring the attendees up to date with Cannabis for medical purposes, as well as, the New Jersey decriminalization law of 2021.

**8C** 11:00am - 12:00pm: Coding Updates for 2022  
Harvey Richman, OD ■ 1 NJSBO Regular Credit / AOA-CPC # CW-0013-21 / COPE # 73547-PM

This course will provide the current and future codes for diagnosis, procedures, and legislative concepts that will be impacting optometry for the future.

12:00pm - 2:00pm LUNCH IN EXHIBIT HALL

**9C** 2:00pm - 2:50pm: Specialty Contact Lens Update  
Steven Sorkin, OD ■ 1 NJSBO Regular Credit / AOA-CPC #CL-0024-21 / COPE #73548-CL

New contact lens technology in specialty contact lens practice has expanded tremendously in the past few years. Review new contact lens materials, lens designs and instrumentation that has enhanced the practice of specialty contact lenses and how we are more effectively able to treat our patients with challenging corneal conditions.

**10C** 2:50pm - 3:40pm: Red Eye Triage  
Steven Sorkin, OD ■ 1 NJSBO TPA Credit / AOA-CPC #SP-0017-21 / COPE # 73550-PD

This course will discuss using case studies, the role of staff in the triage of patients that present with acute red eye symptomatology. The discussion of proper decision making by staff to appropriately schedule and direct the patient will also be part of this lecture.

**11A** 9am - 10:40am: Glaucoma Update  
J. James Thimons, OD ■ 2 NJSBO TPA Credits – COPE #73266-GL

This course will highlight the latest developments in glaucoma, including diagnostic technology, pharmaceutical development and therapeutic intervention. Special emphasis will be placed on the implementation of these advances into the primary care practice.

**12A** 10:40am - 11:30am: Disruptive Technologies  
J. James Thimons, OD ■ 1 NJSBO TPA Credit – COPE # 73882-GO

As medical innovation continues new technologies are being developed that will challenge traditional systems and methods of care. This course will review some of the most disruptive developments that currently available.

**13A** 11:30am - 1:10pm: Top Ten Drugs - What's in Your Cabinet?  
J. James Thimons, OD ■ 2 NJSBO Oral Credits – COPE #73881-OP

This course will review the common and uncommon applications of the most popular oral pharmaceuticals used in the ophthalmic arena. Special attention will be given to the indications, contraindications and side effects of these important therapeutic agents.

# SEE WELL BE WELL

## 5K/FUN RUN | SUNDAY, OCTOBER 10, 2021 | BOARDWALK AT HARD ROCK HOTEL

We cordially invite you to participate in this year's **See Well Be Well** 5K/Fun Run on Sunday, October 10, 2021 at the Boardwalk at Hard Rock Hotel.

The event proceeds go entirely to the programs of the Richard J. Favreau, OD Health Foundation, a 501 (c) (3) nonprofit charitable corporation (Tax ID # 27-4637570).

The Richard J. Favreau, OD Health Foundation, which was formed in 2010, serves as a catalyst for ideas, partnerships, and programs that improve the health and quality of life of at-risk populations in New Jersey. This is achieved by concentrating efforts on funding programs which increase public awareness and provide services to expand eye health and vision care access, ultimately enhancing the quality of life for our target populations.

Charitable contributions include: In 2016, a donation was made to the Special Olympics NJ for equipment for athlete vision screenings and fabrication of eyeglasses during the Summer Games. In 2015, the Foundation was able to make a sizable donation to Camp Marcella, New Jersey Camp for Blind Children, Inc. Camp Marcella is a residential summer camp ground designed specifically for children and teens with blindness, visual impairments, and special needs.

### 5K/Fun Run - 7:30 am

**Pre-Registration Fee: \$25 On-Site Registration Fee: \$30**

**First 50 pre-registered participants prior to Sept. 1<sup>st</sup> will receive a t-shirt.**

**Medal given to top male and female finishers.**

### Registrant Information: (all fields required)

Name \_\_\_\_\_ Age \_\_\_\_\_

Address \_\_\_\_\_

City \_\_\_\_\_ State \_\_\_\_\_ Zip \_\_\_\_\_

Phone Number \_\_\_\_\_ Email \_\_\_\_\_

### Registration Fees & Discounts:

- 5K/Fun Run Pre-Registration.....\$25.00
- 5K/Fun Run On-Site Registration.....\$30.00

### T-shirt Size:

- Womens Extra Large
- Mens 2X Large

**Checks should be made payable to The Richard J. Favreau, OD Health Foundation**

→ **Mail completed registration form with payment to:**

**NJSOP 4 AAA Drive, Ste. 204 Hamilton, NJ 08691**

**Questions? Contact the New Jersey Society of Optometric Physicians at (609) 323-4012**

**Registration**

Choose your courses (indicate your choice in the box next to each selection). You will be contacted immediately via phone if any of the courses you have chosen are sold out.

**Notice to Members**

NJSOP Dues must be current to qualify for registration at the reduced member rate. Failure to remit the correct registration fee will result in your unprocessed registration being returned to you.

**Pre-Registration is Required**

Walk-ins will NOT be accepted under any circumstance. Registrations will be processed on a first-come, first-served basis.

**Refund Policy**

You are entitled to a full refund if cancellation is received by September 17<sup>th</sup> or a 50% refund if cancellation is received by September 24<sup>th</sup>. No refund will be given for cancellation on or after September 25<sup>th</sup>.

**Confirmations**

Confirmations along with travel directions will be mailed out upon receipt of your registration.

**Education**

It is the responsibility of out-of-state registrants to ascertain if the credit for any particular course can be applied toward that state's CE requirement. NJSOP will seek CE certification for COPE only.

**Handouts**

Course Materials (i.e. handouts) will be available for download from the NJSOP event website several weeks prior to the event. A \$50 fee will be charged to those attendees who request pre-printed handouts.

**Name Badges**

Properly displayed name badges will be required for admission to all education, exhibit, business and social functions. Only paid registrants may attend activities and events.

**Waiver of Liability**

Please be advised that by remittance of the registration form to NJSOP, it is agreed by all parties involved that NJSOP shall not be held responsible for any injury, damage, lost or stolen articles, or any additional expense incurred over and above state registration fees in conjunction with these events.
